Central Intelligence Agency

Washington, D.C. 20505

OLL 85-1244
23 April 1985

The Honorable George Bush
President of the Senate
Washington, D.C. 20510

Dear Mr. President:

This letter transmits for the consideration of the Congress a proposed "Intelligence Authorization Act for Fiscal Year 1986."

Sufficient resources are needed in Fiscal Year 1986 to continue the progress which the Executive and Legislative Branches have taken together toward revitalization of our nation's Intelligence Community. I am confident that the Congress will provide the resources needed to develop and maintain the intelligence capabilities required to protect the national security in today's increasingly complex world.

The proposed Intelligence Authorization Act is accompanied by a detailed section-by-section explanation. Timely consideration of the "Intelligence Authorization Act for Fiscal Year 1986" would be greatly appreciated. The Office of Management and Budget has advised that enactment of this proposed legislation would be in accordance with the President's program.

Sincerely,

William J. Casey
Director of Central Intelligence
